Major General Marshall Stubbs Chief Chemical Officer Department of the Army Washington 25, D. C.

Dear General Stubbs:

Thank you for your letter of 9 May and for the pamphlets, "Research in CBR". I have sent them to interested members of our staff.

I appreciate your invitation to visit the Army Chemical Center and hope to be able to accept your kind offer in the near future.

With kind regards,

Sincerely,

C. P. Cabell General, USAF Deputy Director
